MORMONS LEAVING FOR OTHER PARTS, ABANDONING THEIR COLONY HOMES

Son of Enrique C. Bowman Is Made a Prisoner in the Mountains by the Rebels, After Raiding His Camp—The Rebels Are Now Scattered Throughout That Region.

Following the announcement of the church council that the Mexican colonies would not be tenable for at least a year or more, the exodus of refugees from El Paso to Utah, Arizona, and California has started. More than 30 of the Mormon colonists left Wednesday and more are expected to follow this week.

Enrique C. Bowman, son of the late Enrique C. Bowman, was captured by the rebels in the mountains. He was taken to a camp where he was held for several days before being released.

TRUE PHILOSOPHY OF MRS. J. L. HOLMES

San Antonio Lady Wishes She Had Known Ten Years Ago of Plant Juice.

This statement of Mrs. J. L. Holmes, an elderly lady who has resided many years in the suburbs of San Antonio, has a strong ring of conviction in it, she says: "If we could only know what is good for us and what will help us, how much needless suffering we might escape."

Bowman's Son a Prisoner. R. A. Garnett, who has been working as a civil engineer on the Pearson-Pacheco line, called at the headquarters of the Mormons Wednesday morning and told the officials of conditions in the mountain colonies. He said that the returning rebels came into the mountain district from the north and no one there seemed to know who was the leader of the rebels.

Plant Juice is the world's greatest tonic and curative for all derangements of stomach, liver and kidneys. It brings new vitality, health and energy in an almost marvelous manner.

Rebels Shot at Teasdale. Little was taken from the construction camp above the Booker camp. Garnett says, but much property was taken from the main camp. He said that when the Mexican teamsters were driving down 60 head of mules to Pearson to prevent them being taken, the rebels in the mountains fired on them, killing two mules and one of the Mexicans.

ties at Pearson through a friendly Mexican. E. W. Payne, one of the prominent merchants of Colonia Dublan, who has been in Salt Lake, was operated on for appendicitis Tuesday and is improving, according to a telegram received at the Mormon headquarters.

Rebels' Plans. The federal and rebels are all mixed up in the Casas Grandes valley. The Pearson federals have had their scouts out and have been expecting an attack from the Pacheco rebels hourly, so when they saw two Americans and a Mexican coming down the mountain road, the federalists opened fire and killed the Mexican and his mule, but the two Americans ran and escaped.

Colonies Boys Missing. Ten or 15 Garcia and Pacheco Mormon boys and 10 from Colonia Chichupa are in the mountains hunting cattle. Some uneasiness is felt for their safety, as they have not been heard from directly. However, they know the mountains well and if the resident natives did not tell their common rebels in arms where the boys were, they could escape. If their plans were successful, they should have had 500 or 600 head of cattle ready to ship yesterday and they may be in today.

Rebels Using Colony House. The rebels are using the new unfinished Dublan Relief society house for headquarters for their soldiers. This week they held a dance in it, though it is said the dance was well conducted and was of the better class of Mexican residents.

WIDE OPEN GAMES RUN AT SILVER CITY ELKS' CARNIVAL. Silver City, N. M., Sept. 25.—The Elks' carnival has been on for two or three days and it has been, it is said, a big financial success. One of the unique features that smacked of "up to date old Mexico" was a regular cone game and roulette table with its nimble little ball and red and black colors. Many attending the carnival tried their luck and were made "sadder if not wiser."

MISS EVA DONNELLY. The funeral of Miss Eva Donnelly, the 12 year old daughter of Mr. and Mrs. P. J. Donnelly, who died Sunday, was held at 4 o'clock, Wednesday afternoon. All Sores Are Not Cancerous While all Old Sores are not cancerous in their nature, every slow healing ulcer shows a degenerated condition of the blood. Virulent impurities in the circulation produce angry, discharging ulcers, while milder and more inert germs are usually manifested in the form of indolent sores or dry, scabby places. Efforts to heal an old sore with external applications always result in failure because such treatment does not reach the blood. S. S. S. heals old sores of every nature by purifying the blood. It goes to the fountain-head of the trouble and drives out the germ-producing poisons and morbid impurities which prevent the place from healing. Then a stream of rich, nourishing blood, which S. S. S. creates, causes a perfect and natural knitting together of all flesh fibres, making a thorough and permanent cure. The sore does not "come back" when S. S. S. has made a cure, because its source has been destroyed. Book on sores and ulcers and medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

\$3.50 Recipe Free, For Weak Men.

Send Name and Address Today—You Can Have It Free and Be Strong and Vigorous. I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together. I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, SPOT TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. J. Robinson, 4649 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$5.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.
