

Mexico to import munitions of war from the United States never should have been granted. It was not granted originally, but is a consequence of the privilege given to the Mexican Government by Francisco I. Madero was elected President.

The Madero revolutionary party when assuming power was hampered by inability to obtain munitions of war from the United States through the Diaz Administration in its authorizing all provisions of the United States that are given to a Government both de facto and de jure, and the Madero Government...

It is asserted by the Constitutionalist that if a change in the rule will be ended very shortly. Secretary of State Mr. Bryan had been fixed on by the United States to leave the City of Mexico, and the diplomat...

Secretary of State Mr. Bryan had been fixed on by the United States to leave the City of Mexico, and the diplomat... In advice sent to the State Department by Consul Letcher in Chihuahua the comparative commercial interests of the United States are shown.

In advice sent to the State Department by Consul Letcher in Chihuahua the comparative commercial interests of the United States are shown. The data were supplied by mining engineers in the United States citizens have a total capital of \$521,000,000, the largest foreign holdings in the republic.

The United States investors have \$25,000,000 in Mexican public securities, \$22,700,000 in bank deposits, \$22,250,000 in real estate, \$2,000,000 in national bonds, \$1,000,000 in timber land.

These nations have advanced their claims against the United States to a surprising government. Now when Huerta is losing and wants to be granted him recognition.

Secretary Bryan in communicating with Ambassador Wilson... The Ambassador asserted that she had begged Henry Lane Wilson, the American ambassador here when they discovered four Mexicans covering with coal boxes containing 48,000 rounds of ammunition...

MEXICO CITY, July 16.—Ambassador Henry Lane Wilson is leaving for Washington to-night in response to orders from the State Department.

Secretary Bryan in communicating with Ambassador Wilson... The Ambassador asserted that she had begged Henry Lane Wilson, the American ambassador here when they discovered four Mexicans covering with coal boxes containing 48,000 rounds of ammunition...

opean and American capital invested in it, has not kept its New York officials informed of recent developments. In connection with the retirement of President Brown and the election of his successor...
